## Coronavirus update - links to information and resources

**New York State is under a Stay-at-Home (PAUSE) directive until at least April 15!**

### What is "Stay-at-Home" or PAUSE?

*In general, this means that people would not be allowed to leave their homes except for essentials such as groceries and medicine or emergencies. Businesses that do not provide essential services must close and send workers home. Businesses considered essential could include grocery stores, restaurants that do take out service, pharmacies, and hardware stores. Public transportation continue to operate to get nurses, doctors, law enforcement officers, and other essential personnel where they need to go. Everyone else: Limit the use of public transportation to only when necessary.*

The situation changes by the hour as new information and directives come out. As much as possible we are trying to provide links to trusted source information so that you can check the most up-to-date information. Read more about:

## Important 2020 Census Dates

**PLEASE RESPOND TO THE CENSUS SURVEY WHEN YOU RECEIVE YOUR INVITATION. YOU SHOULD HAVE IT BY NOW. LET'S GET A GOOD RESPONSE RATE FOR MURRAY HILL.**

**An Important NYC 2020 Census Message from Cardi B:** [youtube.com/watch?v=znXv63ZeEb4](https://www.youtube.com/watch?v=znXv63ZeEb4)

There are 3 ways to respond to the Census: online, by phone, by mail. Census workers will visit homes that have not responded.

**March 26-April 3:** Reminder postcards will be delivered to households that have not responded.

**April 1 is Census Day**, a key reference date for the 2020 Census. When completing the census, you will include everyone living in your home on April 1, 2020. If you need help completing the 2020 Census, you can call a toll-free phone number. The census asks how many people are living or staying in your home, their sex, age, race, and ethnicity, whether your home is owned or rented, your home address. All responses are confidential and protected by law. If you are responding online, you must complete the census in one sitting, as you won't have the ability to save your progress. **See the questions the census asks:**

<https://2020census.gov/en/about-questions.html>. The census is available online and by phone this year: [my2020census.gov](https://my2020census.gov) and 1-844-330-2020. The census contains only 10 questions, and none ask about employment, income, immigration, citizenship, or for your Social Security number. If you need help filling out your census, you can email [NY12CensusHelp@mail.house.gov](mailto:NY12CensusHelp@mail.house.gov).

**April 8-16:** Reminder letters and paper questionnaires will be delivered to remaining households that have not responded.

**April 20-27:** Final reminder postcards will be delivered to households that have not yet responded before census takers follow up in person.

**May 13-extended to August 14:** If a household does not respond to any of the invitations, a census taker will follow up in person. Also, please, beware of scams. No one should be knocking on your door claiming to be a Census Taker or Enumerator, since now that phase will not begin until early summer. So for now, do not open the door to anyone claiming to be with the Census. If you respond to the Census 2020 survey immediately when you get the invitation, nobody should be knocking on your door.

**December 2020:** The Census Bureau will deliver apportionment counts to the President and Congress as required by law.

**by March 2021:** The Census Bureau will send redistricting counts to states. This information is used to redraw legislative districts based on population changes.

It's time to respond to the 2020 Census survey
