Important Notice

Extended

The NYCDOT Division of Bridges will continue the excavation of multiple test pits alongside Park Avenue and 34th Street to identify the location of existing water main infrastructure. Test pits one and two have been completed ahead of schedule. Phase two of the excavation will begin on Monday, May 4th and continue through Friday, May 15th. Temporary lane closures will be required on Park Avenue Northbound and on 34th Street. Test pits will be excavated in succession. *Pedestrian walkways will be installed and Traffic Control Agents will be assigned to facilitate the flow of vehicular traffic.*
