# Important Notice

The NYCDOT Division of Bridges will begin the work to install new safety traffic railing along the north portal walls at the Park Avenue Tunnel on Monday, January 6th. This work is part of the ongoing rehabilitation project and will continue until approximately January 20<sup>th</sup>. Temporary lane closures are required on Park Avenue Northbound and Southbound between E. 39<sup>th</sup> Street and E. 40<sup>th</sup> Street. Work will commence on the northbound side first and then will continue on the southbound side. *The right parking lane will be removed to become a travel lane. As a result, two lanes of traffic will be maintained at all times on Park Avenue.*

**Park Avenue Southbound between E. 39<sup>th</sup> and E. 40<sup>th</sup> streets**
