# Important Notice

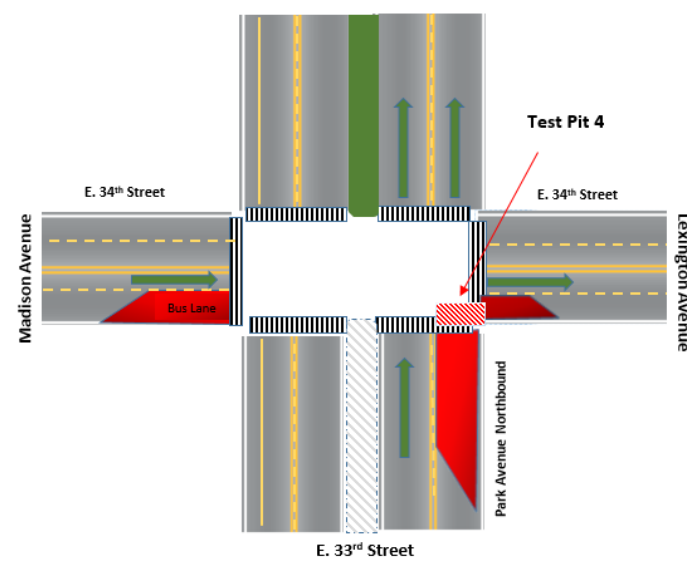

The NYCDOT Division of Bridges will continue the excavation of multiple test pits alongside Park Avenue and 34<sup>th</sup> Street to identify the location of existing water main infrastructure. Test pits one and two have been completed ahead of schedule. Phase two of the excavation will begin on Monday, May 4<sup>th</sup> and continue through Friday, May 8<sup>th</sup>. Temporary lane closures will be required on Park Avenue Northbound and on 34<sup>th</sup> Street. Test pits will be excavated in succession. *Pedestrian walkways will be installed and Traffic Control Agents will be assigned to facilitate the flow of vehicular traffic.*

## Park Avenue Tunnel Test Pit Excavation
