Important Notice

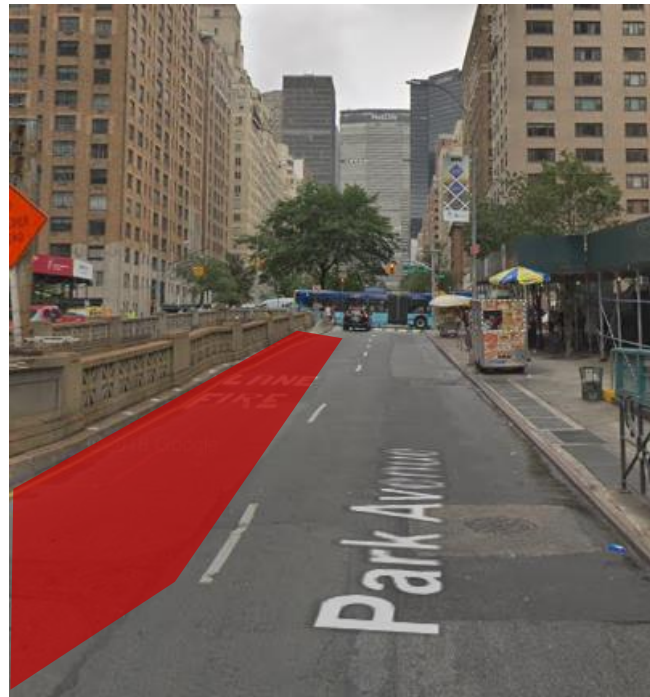

The NYCDOT Division of Bridges will begin street level work to repair the walls and install new traffic rail along both sides of the Park Avenue Tunnel between E. 33rd Street and E. 34th Street. This work is part of the ongoing rehabilitation project and will begin on or about April 17th and continue for approximately 2 weeks. Construction work will take place between the hours of 7:00 a.m. and 6:00 p.m. Monday through Friday. *Temporary lane closures will be in effect. The right parking lane will be a travel lane on the southbound side for the duration of this phase of the work. One travel lane in each direction will be available at all times.*
