

COMMUNITY ADVISORY

PROJECT NAME: Pershing Square Plaza East Reconstruction

PROJECT#: HWPLZ015M

BOROUGH: Manhattan

ADVISORY ISSUED: August 26, 2022

WATER MAIN TEST (CONFIRMED) SHUTDOWN

**Park Ave. East from E.40th St. to E.42nd St.
E.41st St. from Park Ave. to Lexington Ave
(Monday night into Tuesday morning)**

**Tuesday, August 30, 2022
For approximately 4 Hours
12:01AM to 4:00AM**

A water main test shutdown will be conducted to ensure that the valves that turn the water on and off in the street are working properly. If the test is successful, the contractor will then request a shutdown to install the 12" distribution water main.

If you have any questions, concerns, or would like to learn more about this DDC Project, please call the Community Construction Liaison:

Diane Guskin, CCL
Cell: 347-744-2524
Email:
[pershingssqplzeastccl@gmail.com](mailto:pershingsqplzeastccl@gmail.com)
Office Hours: 7:00am-3:30pm
DDC Video: on.nyc.gov/2YliWbd

During non-construction hours please contact 311 for non-emergency city services.

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc) it may become necessary to change some scheduled work locations and operations.

Handling a temporary water shutdown

The NYC Department of Design and Construction (DDC) installs and repairs the underground pipes that deliver water in New York City. Some pipes are over 100 years old and need to be replaced. New types of pipes are more resistant to cracks and breaks. They will safely deliver high-quality water for decades to come.

To do this essential work, we have to temporarily turn off your water.

Your water will be turned back on at the end of each work shift.

BEFORE THE WATER SHUTDOWN

- Store water for cooking, cleaning, and other needs
- Shut off the water main valve in your house or building to prevent plumbing problems, including brown water from sediments (or ask your landlord or super to do so)
- Turn off water-cooled systems such as central air and heating

ONCE THE WATER IS BACK ON

- Turn on the building's water main valve (or ask your landlord or super to do so)
- Run all sink and tub faucets for 15-30 minutes to flush the plumbing

QUESTIONS OR CONCERNS?

If you have any concerns or questions, or would like to receive updates, please contact this project's dedicated **Community Construction Liaison**. If you will be uniquely impacted by this work, you may request a special accommodation, if possible.
