Murray Hill’s Annual Tree Lighting

In this Issue

President’s Corner

During this Holiday season more than ever, our thoughts are with our members and neighbors. This has been a year that we will certainly remember. Speaking for our association, we wish you a very happy Holiday Season and a New Year filled with good health, joy, peace and prosperity.

It was wonderful to see so many of you at the annual meeting on October 1, 2020. I hope you enjoyed it and found it helpful. We tried to address your concerns. However, if you have a specific concern that was not addressed, please email us at info@murrayhillnyc.com, and we will get it to the relevant committee which will respond to you.
The Murray Hill Neighborhood Association board of trustees will continue to focus on the five issues that we highlighted at the meeting: the homeless, crime, cleanliness, support of local businesses and construction issues. Please consider volunteering in any way that you can to help out in any of the different programs we are setting up. The MHNA committees are hard at work and dedicated to addressing and resolving important issues within our community.

I hope you will join us on December 6th to celebrate the lighting of the trees on Park Avenue and kick off the Holiday Season. Santa will be there to greet us all and say “Ho, Ho, Ho!” This is an event we can safely enjoy since it is outdoors, so keep an eye out for information about our tree lighting festivities.

Please stay safe, wear a mask, social distance, wash your hands, stay in small groups and get a flu shot. We care about you. We will be New York Strong again!

Warm wishes for a wonderful Holiday Season and a bright new year. See you on December 6th!

—Diane Bartow, President, The Murray Hill Neighborhood Association

Zoom author talk on Louisa May Alcott in 1870’s New York City

The MHNA Preservation & Design Committee hosted a live Zoom author talk and discussion with Lorraine Toshiello, author of *Only GossipProsper*. This historical novel, shaped from Louisa May Alcott’s letters and journals, gives a portrait of Louisa May Alcott during the winter of 1875 that she spent in New York City. With a first-rate slideshow of historic photographs to accompany her talk, Tosiello showed us the mansions and homes near Fifth Avenue and Murray Hill.

At Fine & Rare, a taste of Old New York

Wouldn’t it be nice to change out of sweatpants and stroll into an old-fashioned bar and grill for an evening of food, drink and entertainment? One of those grownup places where you can enjoy a
Manhattan and a steak and hear live music—while also carrying on a conversation because you’ve come here, as Tommy Tardie, owner of Fine & Rare, likes to put it, “looking not to hook up but to catch up.” As elusive as a stylish night on the town may sound these days, Fine & Rare, at 9 E. 37th, is offering the entire package.

The MHNA is very pleased to welcome an outstanding group of new trustees for 2020-2021: Michael J. Bettigole, Susan Clarke, Alan Fausel, Stephanie Maria Holzback, Amanda Kerins, Cecile Raubenheimer, Jacqueline Strayer and Ronnie Zhuang.

Moving on are Keith Conboy, May Fan, Shibani Gambhir, Tom Horan, Matt Lawrence, Vered Mallon, Anoop Punjabi and Lance Zakin. We are grateful to all of the departing trustees for their dedication to the Association and the neighborhood.

Barbara Sagan and Marion Weingarten have stepped down from their officer roles. Barbara is now active as a trustee, and Marion as an honorary trustee.

A win-win for Murray Hill—ACE workers help pick up litter

As you walk around Murray Hill, you may notice crews in distinctive red gear cleaning up litter, particularly along the high traffic areas of 3rd, 2nd and Lexington Avenues. These crews are organized by ACE, an organization that provides job opportunities to people working their way out of the shelter system. We want to thank Councilmembers Carlina Rivera and Keith Powers for making this happen.

Public construction projects in Murray Hill are making progress, one is completed

The rehabilitation of the Queens Midtown Tunnel Exit and Entrance Streets has been completed. There are also many other public construction projects underway in Murray Hill. The East Side Access 37th Street site may be completed by year end, although the completion of the project as a whole is not expected until December 2022. The restoration of the 100-year-old Park Avenue Tunnel has made progress in the past months. Infrastructure upgrades along 2nd and 3rd Avenue and surrounding areas (Project MED607) continues. It involves replacement of water and gas mains, sewers and catch basins and other infrastructure work.

One Vanderbilt ribbon cutting marks a milestone for the first major project in the Midtown East Rezoning area

Ribbon cutting for One Vanderbilt took place on September 14, 2020. The building was designed by James von Klemperer, Kohn Pedersen Fox Associates and is located between 42nd and 43rd Street and between Madison and Vanderbilt Avenue, immediately west of Grand Central Terminal. According to developer SL Green, the majority of the building is leased to banks, private equity firms, legal practices and real estate companies. The developer took advantage of the Midtown East Rezoning, which leverages public/private partnerships. Developers can acquire bonus floors for their buildings in exchange for the inclusion of public works in their projects. One Vanderbilt could not open until the public improvements were complete.
The Harmonia, and other homeless issues in these pandemic times

The pandemic has resulted in dislocations for many of the homeless. Since it is difficult to practice social distancing in some shelters, many homeless people moved outside to the streets. Some homeless people were moved to hotels by the City, as a temporary solution. The homeless who were accustomed to sleeping on subways also had to find other places to go, following the decision to close the subways every night for deep cleaning. Homeless people staying in shelters are not exempt from dislocation. The residents of the Harmonia shelter (formerly the Chandler Hotel) at 12 East 31st Street were faced with relocation in September.

When she retired in 1948 as the first Director for The Morgan Library & Museum, Belle da Costa Greene had established herself as a prominent cultural leader and trailblazer of her time. She had a reputation for being intelligent, outspoken, dynamic, witty, stylish, ‘fabulous’ (according to her New York Times obituary) and scholarly.
